PRESIDENT'S MESSAGE

Welcome to the beginning of our 2020-2021 club year. For six months, the world has grappled with Covid-19. Activities we once took for granted, such as travelling, shopping, socializing have either been curtailed completely or manageable with modifications. There is no indication, globally, of how long the pandemic will last. Fortunately, for many of us, our families and friendships have helped us to make it

through the last six months. These connections remain a source of happiness, even though traditional ways of gathering have not been possible.

Since 1959, our club has been involved in caring and advocacy within our own club and in our broader community. Perhaps, during the challenges we currently face, the time is right to make these (sometimes) implicit activities and beliefs more explicit as we consider how we can continue our connections during uncertain times. In keeping with this, our club theme for this year is '**Community-Connecting-Caring**'.

Psychologists describe that members of a community have a sense of belonging, a sense of interdependence and a feeling of being part of a larger structure. Our club community is local (within our club and local community), regional (23 clubs across the province) and national (over 100 clubs across Canada). Perhaps the time is right to foster a stronger sense of connection across the larger structure of CFUW.

As we find ways to maintain connections during Covid-19, we face the reality that large group meetings may not be possible for some time. Perhaps we can view this as an opportunity to explore possibilities for virtual meetings and also build upon the opportunities provided by our interest groups. Small group meetings for book groups, bridge groups, golfing, dining and more provide ways to keep us socially connected in safe ways. If you have not yet joined an interest group, please consider some of the options available to make connections with fellow club members. In addition, your board will connect with other

clubs to explore options for collaboration between clubs, regionally and nationally.

Our club is a relational community. We build our relationships as we work together on projects and common interests through local and national advocacy. Our sense of caring is evident in the work that we have done in the past and will continue to do in the coming year. Any member of our club is welcome to be involved in committees that oversee the many initiatives that support women and children while enjoying the fellowship of working together with other members.

This theme of **Community – Connecting – Caring** aligns well with our Mission Statement that reads:

The CFUW White Rock/Surrey Club is dedicated to: the promotion of fellowship, community involvement, the support of education, the betterment of women's lives.

Thank you for inviting me to serve as your president this year. With the collaborative efforts of our board of directors, our programme committee and our membership, I am confident that we will maintain and strengthen connections with each other and with the broader community in meaningful ways over the coming club year.

MESSAGE FROM Anne Low, VICE PRESIDENT

WE ARE NOT ALONE!

How We Began, Who We Are And How To Connect At Many Levels

In 1918, two women conceived the idea of a worldwide organization uniting university women. They were convinced that by fostering friendship and understanding they could advocate for peace and prevent another catastrophe such as WWI, which had just ended.

British, American and Canadian women met, and so began the International Federation of University Women in 1919.

Over the past hundred years, this brilliant idea has evolved into national groups sharing the same early principles and vision.

GWI is the contemporary 2015 international organization based in Geneva, which more accurately reflects an inclusive membership and offers advocacy, projects and financial support.

Have a look at their website www.graduatwomen.org, or follow them on Facebook or Twitter.

Our White Rock/Surrey Club is 60 years old and is part of CFUW, the national network of approximately 100 clubs located in every province of Canada. CFUW is the largest affiliate of GWI and has status with the UN and UNESCO. For details on the vision and structure visit www.fcfd.org

Both GWI and CFUW publish newsletters to which you can subscribe.

Both organizations frequently post interesting items pertaining to current issues or reminders of Literacy Week, etc., on Twitter and Facebook.

We also have B.C. Council which is made up of 23 clubs across the province and is one of seven regional groups that connect us. Information is available on the [CFUW website](#).

Our club has a Facebook page and a Website. These will be updated this year.

MESSAGE FROM Kristin Baillie, PAST PRESIDENT

One of the tasks of the past president is to head the nominating committee to ensure we have a complete slate to run the affairs of our club.

I am pleased to announce that our last year's vice-president, Jenny Lindsay, has agreed to rejoin the board as a member-at-large. She joins Nadine Ewanchyshyn in this role. Thank you, Jenny! Your past experience will be a lovely addition to the group!

The position of member-at-large helps members who are interested in future roles on the board get a feel for the business working of the club. It is a wonderful way to get involved in the club and to meet new people.

If any of you are interested in stepping up for that or any other role on the board, I would love to hear from you!

My email address is bailliekris@gmail.com.

CLUB NEWS

CFUW PROGRAM COMMITTEE

CREATING AND EXPANDING OUR VIRTUAL BUBBLE...A BIG ONE!

CFUW Program Committee 2020-2021
 (Lynn Robertson/Robin Funk – Co-chairs
 Penny Harrington – Board Liaise
 Sherrill Berg, Marjorie Foxall, Sandra Kraft, Sandy McKenzie, Lorna MacGregor, Karen Webster)

Since the beginning of July, your program committee has had ongoing communication and planning meetings. Needless to say, we are finding this year challenging our *status quo* of being able to design and provide events and activities that draw our group together to laugh and learn. We have been met with the realities and challenges of the constraints that this pandemic has

presented to us all.

We are being guided by your responses to the survey and your conversations with other members of our club in helping our committee to maintain the most important aspects of being members of CFUW White Rock/Surrey. We keep exploring new ways to ensure that fellowship and networking are key aspects in our planning. Knowing we will not be meeting F2F (face to face) for the foreseeable future, we are stirring our creative juices, tapping our knowledge base, and relying on our variety of experiences to put together a series of meaningful and interesting opportunities.

As a committee learning new ways to communicate and connect with each other, we appreciate the fact that it is important for everyone to have a comfort level that enables success. Therefore, we continue to work our way through 'unknown territory', as we map out some possibilities to achieve our goals.

Together, the program committee and board executive have been working to navigate this year's journey.

Our first meeting for Fall 2020 is planned for September 26th and will be via Zoom.
 (Stay tuned for more details regarding our agenda and how to access the Zoom meeting.)

2019 Christmas Party

What a lovely way to end our 60th year of celebrations.

The spirit of generosity and a joyful buzz of laughter was in the air.

The room was beautifully decorated with memories of Christmas' past.

All were dressed in their best and ready to celebrate.

THE WAY WE WERE....

And all were ready to participate in and enjoy our Christmas activities.

<p>Beautiful Bake Table which brought in \$766.50!</p>	<p>Delicious Pot Luck</p>
<p>Fun and Entertaining Program</p>	<p>Amazing Gift Tree which brought in \$637.00!</p>

Thank you to all for your friendship and support of our wonderful organization.

May 2020 be characterized by good will and peace for each and everyone.

“COME FLY WITH ME”: or maybe cruise!

64 CFUW members and their guests spent an hour listening to a fast paced and chock full of ideas presentation on where, when and how to book and enjoy a well planned vacation.

Claire Newell, travel expert, author, travel consultant on Global BC and president of Travel Best Bets shared her story from University to the present, overcoming challenges and taking advantage of opportunities along the way. Travels with her family, early in life, tweaked her interest and finally changed her path from law to the travel industry. Claire opened her business in 1993 and now 27 years later, she has 3 store front locations, is into the seventh year of Connected Agent Program, and on June 3 of last year launched an on-line travel agent course.

According to Claire, travelling off-season and all year round helps to prevent over-tourism, a problem in the high season in many countries. Immersive experiences and cultural connections, and multi generational trips are the trends for 2020-21.

Claire provided hints on good traveller behaviour at the airport (don't put your bag or your feet on a seat at the gate), and on the plane (lay off the perfume and smelly foods). Be sure you are up to date on your vaccinations and have adequate travel insurance. Keep your meds and documents in your carry-on, and bring extra meds and the prescriptions – just in case! She reviewed some of her favourite travel products which ease packing, and travel safety apps to have on your smart phone – *“if you don't have a smart phone you shouldn't travel”*.

Then we went cruising! Claire shared many colourful multi country, and reasonable cruises to investigate. Finally, we learned what the “hot spots” are in Europe, and some of the most satisfying bucket list destinations.

Claire closed with her top travel tips and answered the many questions from the enthusiastic audience. “My friends couldn't stop singing the praises of the program!” (Program Committee)

FEBRUARY 22, 2020 LUNCH 'N LEARN: WOMEN'S HEALTH

Eighty-seven people attended our Lunch 'N Learn event at Guildford Golf & Country Club.

Guest speaker was Dr. Moira Stilwell a renowned radiologist, nuclear medicine physician and researcher. She held the position of co-chair of the Canadian Breast Cancer Foundation 2020 Task Force. Dr. Stilwell brought her knowledge and expertise and shared research on Women's Health Issues.

The audience was completely engaged in the presentation and had many questions of Dr. Stilwell during the Q&A.

Guests enjoyed a lovely lunch served by the staff at the golf club prior to the presentation. Lively discussion ensued and the room was abuzz with members' chatter. Tables were decorated with linens, candles and flower posies. Guests could purchase draw prize tickets for a chance to win one of several donated gifts.

Everyone in attendance had a chance to win the coveted door prize of one night stay at the Wedgewood Hotel Vancouver.

We were pleased to have had another successful 'Lunch 'n Learn' event.

(Lynn Robertson)

BURSARY BOARD NEWS

(Carolyn Oram)

On July 15, 2020 the Bursary Board gathered at Maureen Buchholz's home to select the recipients of this year's bursaries. We were able to give three bursaries of \$3,000 each and the winners were: Renee Singh, Kaylene England and Bethany Borkowski. The young women have all made a video that will be sent out separately from the newsletter. This allows club members to see the recipients and hear their stories.

Thank you to all members for donations to the Bursary Foundation and a special thank you to Lois Hunter for the coffee fundraiser. The proceeds from the fundraiser go to the Bursary Foundation.

The pictures below show members of the Bursary Board. We, of course, were doing social distancing, most wore masks and hand sanitizer was flowing. The pictures were taken at our summer meeting. The only member not pictured is Monica von Kursell.

Clockwise: Anna Ferguson, Carolyn Oram, Maureen Buchholz, Penny Harrington, Sue Roberts, Sandy McKenzie.

OUR MEMBERS

From the Membership Committee

In September, 2019, our Membership Committee introduced the “Bring a Friend” campaign as a tool to boost our membership, and eight club members recruited nine new members (one member recruited two). A draw for a \$50.00 Indigo gift certificate was scheduled for May, 2020, but due to the coronavirus outbreak, all further general meetings were cancelled in February. Instead, the draw will take place at the September Zoom Board meeting, and the winner will be announced following this. **(Faye Koll)**

Remembering Marion Reaburn

Very sadly, we learned that long time member, Marion Reaburn, passed away recently. Marion went to live in Dartmouth, Nova Scotia, about eight years ago to be close to her family. She was active in the club for many years helping with the Gardens in Bloom fundraisers as well as on the 40th Anniversary committee. One of her responsibilities was on the newsletter committee, as the one who mailed out the editions each month. Her interest in CFUW went beyond our club, as she and her close friend, the late Marion Setterlund, attended many provincial and national AGMs together.

(Monica von Kursell)

Congratulations to one of our members, Dr. Madeleine Ennis

In the midst of the COVID-19 Pandemic, Madeleine completed her PhD in Reproductive Medicine at the University of British Columbia..

She has now transitioned to become a Post-Doctoral Fellow at the Women's Health Research Institute at U.B.C., and a sessional lecturer at B.C.I.T. , teaching Physiology Pathology to Nursing students.

We wish her well in all of her future endeavours.

(Eileen Ennis)

GEMS FROM THE ARCHIVES

OUR 'OLYMPIC' MEMBERS

It is 10 years ago since the excitement of the Olympic Winter Games in February 2010 brought the attention of the world to the Vancouver & Whistler areas.

Looking back in the archives to our club newsletter of February, 2010, we are reminded of how enthusiastically many of our members participated as proud volunteers at several of the Olympic events.

Elva Reid became involved in the year leading up to the Games and, as well as being a support volunteer for the Opening & Closing Ceremonies, she took part in the interviewing and auditions, but was sworn to secrecy about their contents. Linda Lee Henriksen and Ann-Marie Steenge both made volunteering a family affair. Linda Lee and her husband volunteered as National Olympic Committee Assistants. She helped the Norway delegation for the Olympics and Finland for the Para-Olympics and her husband, who spoke Danish, helped the Danish delegation. This meant living in Whistler for about 3 months. Ann-Marie was a host at BC Place for 15 shifts, including the opening and closing ceremonies. Her husband was busy driving dignitaries. Linda Coyle acted as a protocol captain with the City of Richmond and looked after dignitaries and heads of state in Richmond and Vancouver. She was protocol captain for the King of Sweden. Carol Cluff was an out of field monitor for figure skating, which meant she escorted athletes on and off the ice as well as making sure everything was running smoothly. Olympic euphoria was still in the air at the March club meeting when Carol Cluff, Jane McNamara, Joan Hoyles, and Elva Reid told us stories about their involvement during the games, while other members at the meeting shared some of their experiences.

As usual, it was not unexpected that so many of us participated and were captivated by such a once in a lifetime momentous event right on our doorstep.

(Lois Hunter, Archivist)

A Significant CFUW Archives Donation

Our archival collection is always enhanced by a donation that helps to complete part of the 60 years of documented history of our club. Such was the case when one of our past presidents, Lorna Scobbie, came across a collection of past membership directories when she was renovating her home. This is a real "treasure" find, as we were missing directories for the years encompassed by this collection. There are eleven membership directories, starting in 1973 (our club charter was received in 1959 by founding president, Jessie Casselman). The years included are: 1973-74, 1974-75, 1975-76, 1976-77, 1977-78, 1978-79, 1981-82, 1982-83, 1994-95, 2000-02, and 2002-04.

It is interesting to see the different ways the members were addressed in the earlier years. The surname was always preceded by the title of Mrs. + husband's initials, or Miss for unmarried ladies and Dr., if appropriate. For several members on a committee, they were jointly referred to as "Mesdames" or "Misses". Usually, the member's maiden name and university degree were included. Hostesses and co-hostesses were assigned for each meeting for providing and serving the refreshments. Many of the traditions, including that of a Christmas party in December and a picnic in May, continue even today, 60 years later.

The 1976 – 1977 directory was dedicated to the memory of Jessie Casselman.

We are indebted to our members for continuing to donate items, photographs, newspaper articles, etc., to help document our history and add to our extensive archive collection, which is safely and conveniently stored at the White Rock Museum & Archives.

This is an excellent example of a donation that was unexpected, but most welcome.

(Lois Hunter, Club Archivist)
(Lorraine Ellenwood, Hugh Ellenwood : Archives Committee)

CFUW BC COUNCIL VIRTUAL AGM – MAY 22, 2020

The 31st Annual AGM of our CFUW BC Council was a reflection of the extraordinary times we are experiencing as it was a virtual meeting utilizing the electronic Zoom platform rather than the face to face meeting that should have been held in Kelowna. It was my privilege to represent our White Rock/Surrey Club as the designated voting delegate. There are 23 clubs in CFUW BC Council, and delegates from 19 clubs attended this first ever virtual AGM. The voting for the business session was done smoothly and efficiently by using a new concept whereby each club's delegate simply clicks on her screen to vote yes or no. This was a major time saver over the previous method of voting by holding up cards indicating the number of votes assigned to each club. Our club carried 2 votes, based on our current membership.

CFUW National President, Grace Hollett, brought virtual greetings and commented on the work that the BC clubs have done and continue to do with regard to advocacy involving violence against women, child care and Indigenous Rights. Special thanks were extended to the Kelowna Club on having to deal with cancelling the 2020 Kelowna AGM, due to the COVID 19 pandemic.

The budget for 2020 was presented and approved, and it was noted that it was actually quite healthy due to the "silver lining" of not having a face-to-face AGM, and the dues increase from the clubs to help cover the liability insurance. Further potential savings come from not spending as much on executive travel due to the use of technology.

The election of three regional directors resulted in a new RD for our region (BC West) as Patricia Atkinson (from the Richmond Club) will replace Beryl Matthewson who has finished her term of office.

The business meeting continued with a report from the governance committee. A motion to adopt changes to the Constitution, including the name change from Constitution & Bylaws to Articles & Bylaws, was approved. The BC Council Privacy Policy, which was sent out twice to the clubs, has been adopted. Clubs are encouraged to review this policy (on the BC Council website) and adopt them in their own club's policies. The BC Council Resource Manual will be revised with the changes.

Susan Dyer Murphy, 1950 – 2019, CFUW National President, 2012 – 2014, and CFUW BC Council President 2009 – 2012, was remembered. The CFUW Charitable Trust has set up a 100th Anniversary Legacy Fellowship dedicated to Susan. Information on how to donate will be posted on the BC Council website.

BC Council is looking for a new logo to complement the new national branding. An opportunity to "unleash your inner designer" and win a copy of the recently published CFUW book "Our Hundred Years". Deadline is Oct 15, and the main colors are blue and green.

This year is a momentous time in our history, as it is 50 years since the "Report of the Royal Commission on the Status of Women in Canada". CFUW played a major role, and the women involved advocated for us to resolve many issues, although some of which are still ongoing. A slide presentation is posted on the BC Council website.

A highlight, featuring a one minute report from each club's delegate to indicate the top two accomplishments of the past year, concluded the meeting. Many great ideas were presented and challenge all of us to innovate within our own clubs and work with other nearby clubs to share resources and have fun.

An invitation to attend the 2021 AGM was extended by the Kelowna Club – May 14 – 16, 2021 – which will hopefully be a normal, face-to-face conference. A successful virtual conference and a tribute to the organizers.

(Lois Hunter)

CFUW National AGM Report

(Kristin Baillie)

The CFUW National AGM was supposed to be held in Ottawa this year, but because of the pandemic, it was held virtually on June 19th and 20th. I was representing White Rock/Surrey as a delegate to vote on the various motions and resolutions upon which the club board members had studied and made their determination. I will summarize the meetings here.

The logistics of enrolling 345 registrants and 268 voting delegates and registering each one of those to vote were complex and rather unwieldy. It got off to a rocky start, but eventually things improved as everyone became comfortable with the voting procedure.

The meeting began with votes of Proposed Amendments to the CFUW Articles and Bylaws.

I have all the complete information if anyone wants more detail, but most of the motions consisted of “housekeeping”, changing a word here or there. But of note, Motion 1 amended the Articles of Continuance to continue “weighted voting” based on size of membership. It was adopted.

Motion 10, the Guelph motion to remove GWI from CFUW Articles and Bylaws was extensively debated, and the motion was narrowly defeated (64.1% to 35.8%). It required a two-thirds vote to pass.

Elections were held for National Board vacancies, and the results were as follows:

President: Kathryn Wilkinson
VP Finance: Beverly Rhodes
VP Advocacy: Jeannette Mergens
VP Membership: Lynne Kent (*a member of our club!*)
VP Education: Kathy Wosnick
VP International: Joy Hurst
VP BC Region: Barbara DuMoulin

The Finance Committee presented a deficit budget of approximately \$9,500 and after questions and discussion, the budget was approved.

As time ran out, there were still many items left on the agenda, so a Special General Meeting was called for August 8th, 2020.

The first order of business was the Nepean Motion asking for a \$5.00 increase in dues, but the motion was defeated.

A motion to provide a balanced budget by 2023 with quarterly reports to clubs was defeated.

The six resolutions that our club board discussed and voted on earlier in the year were presented to the membership by email on March 20, 2020, so I won't recap them here.

All six of the resolutions passed at this AGM.

The Mediation Group that was struck to try to find common ground between the clubs across Canada regarding the affiliation with GWI. Their recommendations were as follows:

- 1 a) CFUW should update their Articles and Bylaws to remove all references to external organizations over whom CFUW does not have complete managerial authority and governance;
- 1 b) CFUW should honour the Memorandum of Understanding (MOU);
- 1 c) CFUW should strike an ad-hoc committee to investigate international organizations, including GWI, whose work aligns with CFUW's objective of supporting women and girls globally;
2. CFUW should develop a communication strategy to improve relationships within CFUW

The meeting was adjourned after a total of 13 hours! But at the end of the day, the organizers did a wonderful job in this whole new virtual world. Hopefully next year this can be held face-to-face!

INTEREST GROUPS

One to One Literacy Program

This year will be different for the program.

At the end of September, I will meet with the principals of our two schools: H. T. Thrift Elementary and Peace Arch Elementary. We will discuss if and possibly when we might begin again working with the students.

The spaces that we work in are too small for social distancing, and at the present time schools are not open to outside groups.

Normally we do not begin until right after Thanksgiving, but it may be later or not at all. The pandemic will determine the ability of our group to continue.

We have a full slate of volunteers who are eager for the program to start, so we shall hope that this can happen at some time soon.

(Carolyn Oram, Coordinator)

ART APPRECIATION GROUP

“WHAT IF THE MONA LISA WORE A MASK?”

The Art Appreciation Group met at the home of Susan Falk on Wednesday, September 2, 2020. There were 10 members present and 1 guest.

Marilyn Dyer welcomed us and asked us what we thought made the Mona Lisa so special. Among the several suggestions was her enigmatic smile. It was the first time an artist had painted emotion on the face of his subject.

Mari asked us to consider “What if the Mona Lisa wore a mask?” With the nose and mouth covered, we can judge a person’s feelings only by studying the eyes. She went on to say that it is a similar situation with the pandemic where at times it is hard to even recognize people, especially if they are wearing sunglasses as well as a mask.

This led us into the theme of “Covid Creativity” and each person told what she had been doing over the past few months. The activities included cardmaking and scrapbooking, fruit and vegetable gardening, travelling to unexpected parts of the province, family visits, and looking after a grandchild.

Susan wound up the discussion by presenting two of her paintings; in both, her model was wearing a mask, and in one she also wore gloves. Mari added that many artists during the pandemic have searched for ways to reflect their experiences through various media.

It was a beautiful day in lovely surroundings, and we enjoyed the lunches we had brought with us, and the delicious coffee that Susan provided.

(Lorna Klohn)

TALK OFFERS COURSES THE COVID WAY

TALK has found an inventive way to continue with their programs by scheduling fall courses as Zoom webinars.

They have planned 18 courses, 3 Philosophers' Corners, 2 CHATs and the AGM — all online. The Philosophers' Corners, CHATs and AGM will be held as Zoom meetings and will all be free. In addition, there will be 2 free practice Zoom webinar sessions, so you can feel confident registering for courses.

You must register for everything, even the free events, so that you will be sent the link to the Zoom session. TALK membership dues remain at only \$10 per year (TALK is cheap!) and courses are \$15 per

session (\$20 for a two-session course, \$25 for a three-session one).

The good news is, that you don't have to drive to campus, pay for parking or find your classroom. Courses or events are not restricted to any campus. You can learn in the comfort of your own home and can take any of the courses or events that interest you. You can even encourage your friends outside of the Lower Mainland to check this out.

The TALK fall 2020 brochure is up on the website at www.kpu.ca/talk/courses and registration is open now. Registration online with *Amilia* is safe and secure, and KPU has a special Zoom license which maintains all data in Canada.

CFUW White Rock/Surrey has been a good friend to TALK, so please tell your friends about TALK and share the link to their website: www.kpu.ca/talk

(Joanne Cunningham)

ALPHA BOOK GROUP

Brenna Kanski of the White Rock Library has informed me on August 29, 2020, that the Book Club sets are still suspended, and she is not sure when they will resume.

She will let us know when there is an update. I am sure they are working hard, as the Fraser Valley Library has over 100 clubs.

(Shirley Nord)

FULLY BOOKED BOOK GROUP

Under the leadership of host Linda Lee Henriksen, the Fully Booked Book Group has now had two Zoom sessions and is planning another one for Sept 10.

The sessions have worked very well, with members quickly catching on to the zoom format.

(Joanne Cunningham)

GOLF AND SWIM

9 Hole Golf at Nico Wynd

There have been pleasant club regular games underway every Wednesday (when possible) at Nico Wynd.

By closing in mid October, there probably will have been at least a dozen games in spite of a later startup this season. Sometimes, we have been able to share a refreshment after a game and have found that the golf course follows all social distancing and health practices.

A few members have had some injuries and surgery, but our object is always to try for a foursome. You do not have to be a good golfer to join in, as there are so many other new golfers now out on the course due to the

pandemic.

We will be planning for the regular golf an earlier start for 2021- May to mid October - as during this COVID time with the challenges of combined physical and social activities, golf is a good one.

Also, there have been club members organizing their own wonderful games this spring and summer of 18 hole golf and 9 hole golf with their friends and relatives. Overall, for formal and informal golf, we have had about 24 club members out on the links.

(Contact Sue Foley-Currie for further information)

Swim at Crescent Beach

Over the summer I have been enjoying personal swims from 5 to 6 pm (with a lawn chair to assist with social distancing) at Crescent Beach in the area right beside the formal lifeguard swim area.

There are stairs from the main gravel path with a railing on one side down. It seems more like the time for local area residents, and for parking.

In 2021, I hope to do the same from the last week in June to the end of the first week in September, and would be willing to organize for any club members who would also be interested in a swim meet up.

And yes, the first plunge in is cool, and then it all improves with more swimming!
